Principals Message
As many of you would know there was a break in at our school over the weekend. Things like this are always trying and upsetting for the students, staff and wider school community when they happen and we wonder why people spend so much time and energy on things that don’t help anyone in any way. I would like to say thank you to all of the support and information we have received from the community. It is very heartening to know that we have friends, neighbours and families in our community that will support others in times of need.

I am very proud of our school. We have excellent students, parents who support us, and staff who are highly dedicated. Last Friday afternoon I asked all of our teachers to walk to the top gate of the school with our students. There were several reasons for this however I just wanted to share with everyone how amazing it was for me to stand at the top gate and watch our staff and students come up to greet parents and family members at the top gate. Many of the teachers stayed up at the gate and talked with parents and students. This was the perfect way to end the school week. This kind is certainly something I would love to see again.

On another bright note, I would like to thank Mr Duncan Davidson, from Davidson Bros Electrical and member of our parent community, for his amazing work on our bottom oval. Duncan has been working tirelessly over the past several weeks to get our oval back to its once former glory. We are hoping that over the next few weeks it will be the fantastic playing surface we used to enjoy so much. Thanks Duncan!

P&C this Wednesday
We would like to again extend an invitation to our parents to come along and join our P&C this Wednesday night at 6:30pm in the staffroom. Our P&C are a very dedicated group of parents who work very hard to support the students of our school. If you have the time please feel free to come along even if it is just to see what the P&C is all about. See you there.

Police Youth Liaison Office to OVPS
Yesterday our Primary students were once again fortunate to be able to hear Georgia Harvey, the Police Youth Liaison Office, speak to them about a range of bullying, social and pro-social issues. Our students asked Georgia lots of questions and we would like to say thank you to her for coming to our school once again to chat with our students. It is wonderful that we have such a close relationship with our local Police Force. They all do a great job for our school and the Oxley Vale Community.

Kinder Transition Thursday & Friday
Last Thursday and Friday morning we met some of our new kindergarten students for 2014. The children were very excited to meet Miss Dawson and Mrs Murray and the parents stayed to enjoy the first day of the children’s school experience. We are really looking forward to this Thursday and Friday to spend more time with our new students for next year.
Yr 6 boys to Rock & Water
Last Thursday several of our Year 6 boys were fortunate enough to go to Oxley High as part of a Rock and Water program run by high school staff. The boys had a great time and we are looking forward to getting a report from them over the next few weeks to share some of their experiences as being part of this great program.

Luke Norman
Principal

*Sunrise Puddings*

Sunrise made a pudding. It was divine.
It had cake and it had custard.
It had chocolate and cream.

Sunrise made a pudding.
It was yummy.
I liked the chocolate.

Sunrise made a pudding.
It had cream, chocolate and strawberries.
I like the custard.

Sunrise made a pudding.
It was yummy.
