I would like to take the opportunity to welcome back all of the students and staff to the third term for this year. I hope everyone has had a long rest and is ready for more learning, that is why we are all here.

Last term was outstanding in terms of what our students achieved. They were working very hard and we hope they continue to do so. Although the students only returned today (Tuesday) the staff were busy here at school on Sunday and Monday, working on their skills to deliver education to your children that is at the forefront of education. We looked at further improving everything that we do as professionals in order to deliver the best educational outcomes for all students. This included, among other things, working on the new English Syllabus we will deliver next year and updating our CPR skills so that children are safe at school.

I wish everyone a happy, safe and productive term and look forward to getting into classrooms and the playground to see all the wonderful things that Oxley Vale students do.

Thanks for sending your children to the best school in NSW.

Luke Norman
Principal

After School Learning Centre
After school Learning Centre will be on this week on Thursday only. Please do not send your children on Tuesday or Wednesday. We will operate from Monday as per usual next week. We are looking forward to another great term with the ASLC and there are some more excursions planned up the UDRH building at the hospital so look out for information on that one.

Athletics Carnival
Last term we had to call off our Athletics Carnival. We will be holding our carnival in a few weeks time but are trying to negotiate an earlier date than advertised to allow our team time to train before the Zone carnival. As soon as we have secured a suitable date we will advise parents so that they can make arrangements should they wish to attend and support our athletes on the day.

Oxley Vale P&C
The next meeting of the Oxley Vale P&C will be on Wednesday 24th July at 6:30pm. At this meeting we will be planning our major fund raiser for the year. You don’t have to attend meetings to assist the P&C. There are lots of ways to help giving some time in the canteen, helping at the clothing store, helping with the year book, assisting at fundraising events. Is there something you enjoy doing? Let us know! All activities and events run by the P&C go directly to helping students and staff of our school.

YEARBOOK:- orders will be coming home soon.
Kim Smart P&C President

Naidoc Products
The SRC (student representative council) and in partnership with Yarn-Up will be selling Koori Kids Naidoc products at the school on Friday 19th July and Thursday 25th July at 11:25 –12:00 under the COLA area. Be quick items include: Beanies $5.00 Watches $5.00 Pencil Pack $4.00

THIS THURSDAY 18TH JULY

Please place family payments in family envelope (yellow) to avoid confusion.

It is vital each child return their own envelope to their class teacher even if payment is enclosed in a sibling’s envelope.

All cheques and money orders to be made out to the company.

Please remember to be in FULL winter school uniform.
