Office News
Please note the school’s end of financial year falls on the 30th November. Processing has begun in preparation for this to run smoothly. It would be very much appreciated if any outstanding accounts such as band fees, swimming scheme etc. could be finalised as quickly as possible and that any excursions during November be paid promptly. Many thanks for your assistance.

Warmer Weather
A reminder to all parents and guardians, with the weather heating up so quickly please remember to send your child to school with plenty of water to drink and their school hat.

Lunch Box Safety
Lunch boxes are great, they keep lunches from being squished in the bottom of school bags, however in the summer months they can be a breading ground for bacteria.
During the warmer months try to be mindful of what you pack in them,
• Use insulated lunch boxes/cooler bags
• Use a freezer brick or add a frozen drink bottle to keep things cool
• Avoid sending dairy products like yoghurt and cheese as these products go off very quickly
• Try freezing sandwiches the night before and placing them in lunch boxes frozen.
• Freeze fruit like grapes, orange, watermelon, pineapple in small zip lock bags and add to lunch boxes for a cool healthy snack.
